Treasurer's Report

October 2019 - September 2020

2019 – 2020 was, of course, an unusual year, with the Covid 19 epidemic occurring half way through. Consequently the Berkshire Athletics accounts look rather different to a 'normal' year.

County sportshall, cross country and the get together meal all managed to go ahead, but the summer events unfortunately fell by the wayside.

The accounts show a profit for the year of £664.30. Affiliations were received from 14 clubs/organisations. There were sales and purchases of various clothing - mostly in the winter months. Medals and medal ribbons were purchased but not used, so hopefully there will be enough for the 2020-2021 year in stock.

A grant had been received in the previous year from England Athletics. This was used to purchase photo finish equipment, but only paid for this year.

As, for half the 2019 – 2020 season and much of the 2020 – 2021 season Berkshire Athletics has been unable to function as normal, may I propose that affiliations for the 2020 – 2021 season be waived.

Carolyn Walker
